GET HELP VOTING

There are many ways you can get help when you vote!

   They can help you with any part of voting. They can help you in the voting booth.

2. Get help from election judges

   You can ask an election judge for help with any part of voting.

   If you need help marking your ballot two election judges from different parties will help you.

3. Vote from your car

   You can have a ballot brought to you in your car if you have a hard time getting into the polling place.

   Two election judges from different parties will help you. The election judges will bring the ballot to you in your car. The election judges can bring you an application if you need to register on Election Day.
