The Arc Minnesota – Membership Policy

Created April 15, 2021

The mission of The Arc Minnesota is to promote and protect the human rights of people with intellectual and developmental disabilities, actively supporting them and their families in a lifetime of full inclusion and participation in their communities.

The work of The Arc Minnesota is founded in the principles of human & civil rights, self-advocacy & self-direction, and equity & true belonging. Alongside self-advocates, parents and family members, support professionals, and coalition partners, we work to advance individual and systems solutions that create positive outcomes and social change for Minnesotans with IDD.

To become a member of The Arc Minnesota, individuals make a financial contribution to the organization in any fiscal year in any amount (over $1.00). A membership term expires one (1) calendar year after the first day of the month in which the most recent gift is made (for instance, a membership initiated with a gift made February 25, 2021 would expire February 1, 2022). Members have the ability to renew their membership annually by making another financial contribution in any amount. Gifts received at or as part of a special event (i.e. the Arc Gala, Golfer’s Choice Tournament) are not eligible for membership. In addition, purchases or Round-up contributions at Arc’s Value Village are not considered eligible contributions towards membership.

The Arc Minnesota requires respectful and ethically reasonable conduct of its Members however, and requires that Members agree to abide by common standards of respect and etiquette and act in accordance with this Membership Policy, which includes our Donor Bill of Rights and our Membership Code of Conduct.

Information Security and Donor Privacy Policy

We are committed to protecting the security of constituent personal information and to honoring choices for its intended use. To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we strive to maintain physical, electronic, and administrative safeguards.

The Arc Minnesota provides a secure environment for collecting donations and maintains internal controls governing the safekeeping of confidential donor financial and personal information. We take measures to ensure that all donor and payment information is stored per Payment Card Industry Data Security Standard (PCI DSS) regulations and is encrypted. This means we implement firewalls to protect our data, use appropriate password protection, protect cardholder data, use encryption of
transmitted cardholder data, utilize antivirus software, update and maintain our software and security systems and restrict access to cardholder data.

The Arc Minnesota uses a firewall (DMZ) for our website and online payment systems. The Arc Minnesota also scans for gaps in network (penetration tests) to further secure client data.

While we have implemented commercially reasonable technical and organizational measures designed to secure personal information from accidental loss or from unauthorized access, use, alteration or disclosure, The Arc Minnesota makes no warranty, guarantee, or representation that the use of our website is completely protected from viruses, security threats, or other vulnerabilities and that your information will always be secure. You acknowledge you provide personal information at your own risk. In the event personal information is compromised as a result of a breach of security, we will promptly notify those persons whose information has been compromised.

**Donor Privacy**
The Arc Minnesota collects the following personal information from our donors: donor name, acknowledgement name, amount donated, address, preferred telephone numbers, preferred email addresses, and in some cases, other non-financial information such as the donor’s employer, events attended by the donor and contacts made with the donor by a staff member of volunteer. No donor checks, credit card numbers, or other credit information are retained in our organization’s electronic or hard files after a donation has been processed unless requested by the donor.

Donor information is used for internal purposes only. The Arc Minnesota does not sell or rent its donor list with any other organization. The Arc Minnesota does not send mailings on behalf of other organizations. Only authorized staff members of The Arc Minnesota have ongoing access to donor information and records.

On occasion, The Arc Minnesota Board members or volunteers may have limited access to donor information, for instance during ad hoc fundraising and thank-a-thon campaigns. All individuals with access to donor records are required to abide by this policy and are provided limited information marked confidential and must be returned to staff.

The Arc Minnesota publicly recognizes all gifts in our annual report and other relevant print material, unless the donor requests anonymity. Donors who choose to opt out of this recognition are listed as “Anonymous”. Every gift reply device printed by The Arc Minnesota allows for donors to opt out of public acknowledgement.

**Chapter Membership Limitation**

As a chapter organization, The Arc Minnesota is required to share its membership information with The Arc United States (national organization). Our procedure for sharing this information with the National Chapter of The Arc is communicated in membership forms and reports.
No Solicitation and Discontinue Contact Policy

Purpose
The Arc Minnesota’s policy is to maintain a record of all requests made by donors or their representatives indicating they do not wish to be solicited and/or contacted by or on behalf of the agency.

Procedure
The Arc Minnesota’s staff, board of directors, volunteers, professional fundraisers or other agents will not willfully and knowingly engage in communications and/or solicitation activities that cause donors to feel threatened or intimidated.

Upon receipt of a “no solicitation” request, either verbally or in writing, The Arc Minnesota will discontinue contacting donor for solicitation. If the donor wishes to continue receiving non-solicitation materials, then the donor’s database file will be marked “no solicitation” and deleted from all solicitation mailing lists, but he/she will continue to receive communications that are not soliciting donations.

During solicitation periods, staff and volunteers will:
• Communicate courteously and respectfully with donor
• Thank donor for their time and end the call after donor declines to make a contribution
• Not engage in personal criticisms or other threatening and intimidating behavior during phone call to donor
• Not call back once a donor has declined to make a contribution

Upon receipt of a “discontinue contact” request, either verbally or in writing, The Arc Minnesota will discontinue contacting donor either by mail and/or by phone, per the specific request of the donor. The donor’s database file will be marked “do not contact” and deleted from mailing lists and/or phoning campaigns.

Limitation
This policy does not prohibit contact with The Arc Minnesota solicited by donor or donor’s representative, even if donor or his/her representative has requested to be placed on the “no solicitation” and/or “do not contact” list(s). Contact with The Arc Minnesota initiated by donor whose name appears on the “no solicitation” list shall be limited to providing a direct response to the donor’s inquiry and shall not cause the donor’s name to be removed from the “no solicitation” and/or “do not contact” list(s).

This policy does not protect donors from solicitations from other Arc chapters or The Arc United States, which are separately incorporated 501c3s, and do not share mailing lists or “no solicitation” and/or “do not contact” information.

Permanent Record
The Arc Minnesota will maintain a record of all requests for “no solicitation” and/or “discontinue contact” effective with the adoption of this policy by The Arc Minnesota’s board of directors. All “no solicitation” and/or “discontinue contact” requests will be documented in the donor database file.
The records of donors who have made these request will be maintained by The Arc Minnesota to the extent necessary for legal or liability purposes.

**What information we collect**
The Arc Minnesota collects and uses various information from persons donating to The Arc (donors) that includes: name, amount donated, address, telephone number, donor comments, notes from meetings and e-mail address. Tax laws in the United States and the State of Minnesota require The Arc to keep contact information and the contribution level of donors on file.

**How we use that information**
The Arc Minnesota will never publish, sell or trade names (unless shared as previously stated), e-mail or mail addresses, or telephone numbers of donors. The Arc Minnesota will use contact information (e-mail, telephone number and address) of donors for these purposes only:

- Distribute receipts for donations
- Thank donors for their donation
- Solicit support
- Inform donors about upcoming fundraising and other activities of The Arc Minnesota
- Internal analysis and record keeping

However, properly anonymized donor information may be used by The Arc for its promotional and fundraising activities.

**Financial information**
All access to donor financial information is strictly limited to professional staff and trained volunteers, who need to process this data. No such data are given to any person, organization or group who does not need to access this data.
