# Tee It Up FORE All Participation

The Arc Minnesota promotes and protects the human rights of people with intellectual and developmental disabilities (IDD), actively supporting them and their families in a lifetime of full inclusion and participation in their communities.

ARISE (A Recreational Inclusion Support Endeavor) provides support for children with disabilities so they can access community recreation and leisure activities with their peers. ARISE works with families to determine the needs of each child and to personalize services.

The Tee It Up FORE All Golf Scramble is the event golfers choose so people with IDD can have more choice in their lives. Your support helps people in our Midstate region, as well as across the state
