

The Arc Minnesota SE Region Seth Pack Mini-Grant Application (For agencies/projects that support children under 18 with intellectual and developmental disabilities)

The Seth Pack Golf Classic has generously donated funds to The Arc Southeastern Minnesota SE Region. These funds are available to agencies/projects that support children with intellectual and developmental disabilities who reside in the counties of Dodge, Fillmore, Goodhue, Houston, Olmsted, Rice, Wabasha and Winona.

Mini-grants may be requested for a specific program, start-up project, event, etc. The program, project, event, etc. must provide a benefit/service to children with intellectual and developmental disabilities.

There will be a limit of \$200 per year/per project, program, event, etc. The mini-grant funds are limited. When the budgeted amount for mini-grants is depleted, additional money will not be available until after the following Seth Pack Golf Classic tournament.

Applications for mini-grants must be submitted on this form. Attach any additional information you feel the committee would need to evaluate your request, such as brochures, fliers and/or recommendations from others.

Applications should be submitted at least one month before funds are needed. For exceptions to this, please contact The Arc SE Minnesota SE Region office. Requests for funds will be approved by the Seth Pack Golf Committee. Funding for mini-grants has been made possible by: The Seth Pack Golf Classic. The Seth Pack Golf Committee has the right to decline any request for any reason.
